

Love, Faith & Hope

The Atherton Police Department is proud to partner with [The Bay Area Cancer Connections](#) in the fight against breast cancer. The police department will be offering a limited-edition police department shoulder patch.

All proceeds will be donated to [The Bay Area Cancer Connections](#) in Palo Alto.

The purpose of the department's pink patch is intended to stimulate conversation with members of the community, to encourage public awareness about the importance of early detection and the on-going fight against this horrible disease.

The Atherton Police Department, in connection with our community, can help support breast cancer research organizations as they continue their tireless work.

How To Purchase

Come to the Atherton Police Department Dispatch Counter at 83 Ashfield Road and purchase your patch from the lobby personnel. A \$10.00 donation will receive a Pink Patch as a gift. Check donations are preferred. Please make checks payable to the Atherton POA.

We'll Be Wearing The Patch

In October, you'll see our officers wearing the same pink patches on their patrol uniforms. These are the same official patches you'll have the opportunity to obtain!

Thank You

On behalf of Chief Steven McCulley and the men and women of the Atherton Police Department, we thank you for your generous support of this wonderful campaign.
